Subject: Expera Specialty Solutions Thilmany Mill Section 114(a) Letter

Hi Victoria

Per our conversation this morning Expera will have an additional 60 calendar days to respond to the section 114(a) letter we received on June 16, 2018. This makes the new response date August 15, 2018. We will send all of the responses in one submittal to make it cleaner.

Also per our conversation, our response to Question 2 will only include the permit applications and related correspondence for the three active permits. These are the most recent Title V permit and two construction permits.

Thank you for your consideration. If you have any questions please do not hesitate to contact me via phone or email.

Mark
